

## Foundation

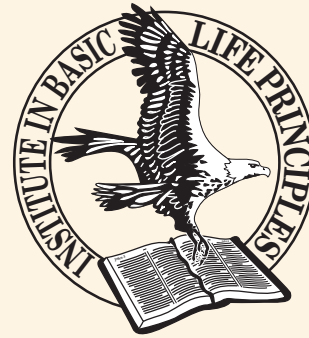

The Advanced Seminar seeks to help alumni of the Basic Seminar successfully apply the principles of Scripture on a practical level. As you delve deeper into the seven basic principles that were introduced in the Basic Seminar, you will be further equipped to apply them in your daily walk with God.

Just as there are laws of nature and physics, God's principles bring blessing or consequences when followed or violated. The Advanced Seminar offers practical application of God's timeless principles in the areas of life purpose, marriage, family, and finances.

Taught by Bill Gothard, Gary Fraley, Otto Koning, and Jim Sammons, the Advanced Seminar is a 25-hour video course. The goal of this seminar is to see each person achieve his or her full spiritual potential.

“As ye have therefore received Christ Jesus the Lord, so walk ye in him: Rooted and built up in him, and stablished in the faith, as ye have been taught, abounding therein with thanksgiving.”

—Colossians 2:6–7
