# BASIC SEMINAR

THE INSTITUTE IN BASIC LIFE PRINCIPLES

# Overview

The Basic Seminar is a 24-hour video course that explains seven universal principles and how they apply to our lives.

**Design:** Thanking God for your design is the foundation of genuine self acceptance.

**Authority:** Understanding how God uses an authority structure to provide protection and bring inward peace.

**Responsibility:** Accepting responsibility for our choices and asking for forgiveness to gain a clear conscience.

**Suffering:** Recognizing God's purposes for suffering and fully forgiving others brings joy.

**Ownership:** Yielding our rights and becoming stewards of God's provisions results in true security.

**Freedom:** Reclaiming areas controlled by sin and becoming mighty in Spirit brings moral purity.

**Success:** Meditation on Scripture reveals the ways of God and guides us in finding life purpose.

# Results

By focusing on principles rather than rules, individuals are equipped to make wise choices and avoid patterns of failure. For example, parents and teens will learn how to approach issues from deeper levels and resolve conflicts before they damage relationships. Husbands and wives discover how to communicate from the heart to strengthen their marriage. Pastors will see underlying truths that resolve conflicts within the church. Many alumni re-attend the seminar, bringing friends and family to hear and experience this “new approach to life” that has had such a life-changing impact on their relationship with God and with others.
