

# The Guarantee

## God's Guarantee for True Success

God promises true success to those who meditate on His Word and apply it to their daily lives: "This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success" (Joshua 1:8). Meditation is a living, growing relationship between God's Word and our hearts—a relationship that changes us.

With today's instant access to moral corruption and the resulting collapse of marriages and families, there is a desperate need for individuals, especially fathers, to return to the activity by which God guarantees true success—meditating on Scripture and applying it to our lives. With this goal in mind, Daily Success was developed. The ultimate goal of the Daily Success program is to see people experience "good success" in every area of life, through the transforming power of God's Word, by motivating them to meditate on Scripture and make daily application of it to their lives.

## DAILY EMAIL DEVOTIONALS TO HELP YOU APPLY INCREDIBLE TRUTHS FROM GOD'S WORD

The Bible is the "instruction manual" for life given to us by our Creator. It is only natural that success would come by following His commands given in the Scriptures. What are His commands? How do we make them an active part of our lives? How do we exchange our earthly understanding for God's wisdom?

Meditation on Scripture is the activity through which God is able to instruct and direct us from His Word. The Daily Success plan will accomplish great results when participants develop the consistent habit of meditating on Scripture and applying it to their lives. If this goal is achieved, God guarantees that "good success" will be the result.
